PURPOSE AND EVIDENTIAL VALUE

This certificate records that the identified song, its recorded contents and publishing information were submitted to and published through MusiBee4 by the named creator or publisher account.

The evidence-manifest SHA-256 fingerprint for this exact certificate version was independently timestamped by DigiStamp Inc. under RFC 3161. The timestamp token provides third-party evidence that the fingerprint existed no later than the verified UTC time shown.

The publication record, preserved fingerprints, version history and RFC 3161 evidence may be considered together as supporting evidence. The timestamp confirms fingerprint existence and integrity, not authorship, ownership, copyright entitlement or priority. Evidential significance may vary between jurisdictions.
